

SynergyAspen is proud to support the local communities where we live and work.

This year, in lieu of delivering holiday gifts to our valued clients, we have chosen to support families in need in our local communities by providing Christmas hampers filled with goodies, to brighten lives through the holiday season.

This year, we are **Working Together** with:

Share-Family and Community Services'
Caring Neighbour Program, *"which exists to connect, engage and strengthen individuals and families in Tri-Cities, Anmore, and Belcarra"*

The Share website is: www.sharesociety.ca

The "Caring Neighbour" program can be found at: Christmas2015@Sharesociety.ca

The SynergyAspen team is busy **working together**, acquiring hamper items including food, clothing and toys, and collecting donations for the food bank. We hope you will embrace this same spirit of giving as we say thank you for your partnership and business with us.
